Every once in a while a man comes along looking to make things right. That's where Dane Kirby, an Investigator with the George Bureau of Investigation, comes in. When a murder happens on Bull Mountain, Kirby is the man Sheriff Darby Ellis calls when all hell breaks loose. (Ellis was the former Deputy under Clayton Burroughs, whose legend still lingers over Bull Mountain.)

Coinciding with the murder in Georgia, is the suspicious and brutal murder of a man in a Florida hotel room who has ties to McFalls County and a place called "Hard Cash Valley." Kirby is soon paired with FBI Agent Roselita Velasquez to solve that crime and find the only person who might be able to help.

Haunted, troubled, and extremely vulnerable, Dane Kirby's character pulled at me. Just thinking about the person he is, his anguish and his deep dark past, I couldn't help but be all in as soon as I turned the first page of Brian Panovich's "Hard Cash Valley."

You all know that I am a "softie" when it comes to novels that I love. I get "teary" at times and there was a point where this one got me. It has its moments where it's a bit dark and ominous, (it's Grit Lit after all!) yet it isn't quite as violent as Brian Panovich's other novels (at least not in my opinion). That aside, I love the atmosphere, the setting and the character development and can't wait to see what Brian Panovich comes out with next. "Hard Cash Valley" is the first Grit Lit of the year to make my Goodreads Best of List for 2020.

This was a buddy read with Kacey - which I was extremely excited to share with her. It was her first Brian Panovich! I can happily report that she loved it.

A Huge Thank You goes out to Joe Brosnan at Minotaur Books for the Galley. I could not wait to get my hands on a copy of this book and he obliged. Thank you also to Brian Panovich, you do not disappoint.

Published on Goodreads on 3.1.20.

But...I'll give you my thoughts nevertheless...

Hard Cash is a dark gritty tale about desperation, greed, drugs, money, family, loss...you name it.

Panowich is a genius at writing Southern/Country/crime noir that is both gritty, suspenseful, dark and moving. His characters are flawed, are either trouble, have seen trouble or have created trouble for others.

Dane Kirby has seen trouble and grief. It haunts him (it would haunt you are well). He has lived in

â€™s third novel heightened my appreciation for his work. The mesmerizing flow of his words, skillful plotting, and the few redeeming characters wandering the pages held me captive for the entirety of the book. Panowich has made rural north Georgia a place I want to be, despite the gun-slinging, meth-dealing, cockfighting, blood and guts, no rules approach that just about everyone lives by.

This go-round, Panowich lands readers in Hard Cash Valley, a community on the outskirts of McFalls County with a looming mountain on the horizon. A shady mountain readers became familiar with in

. Hard Cash Valley is home to The Farm, an out of the way place where money changes hands in the name of the prized feathered fighter. A place where loyalty is valued and disputes are settled with bloodshed and an incinerator.

Dane Kirby, former McFalls County fire chief and arson investigator, turned part-time agent with the GBI, finds himself teamed up with a none too happy FBI agent, Roselita Velasquez. The new partners, prone to bickering, are tasked with tracking down the eleven-year-old brother of a victim found gutted in a cheap motel room some 400 miles south in Jacksonville, FL. Dane's familiarity with the people of Hard Cash Valley and help from a childhood friend, land him on The Farm and face-to-face with gold-toothed, Rooster. A motley crew of rednecks, Filipino gangsters, and untrusting FBI agents take their turn skewing the trajectory of the investigation.

Where Panowich shines

is in creating a character with a big beating heart. Similar to Clayton Burroughs, Dane Kirby is a standup guy living in a place where morality often takes a backseat to vengeance and money. He's a guy you can't help but to hope finds his way. In the face of all the muck the investigation slings at him, Dane has to contend with an insecure girlfriend, the ghost of his dead wife, and the sobering truth, he can't seem to give voice.

Having recently retired his title of Fire Investigator, Dane Kirby is new to the GBI. To say he carries around demons would be a massive understatement. So raw they haunt his every waking moment.

Having recently retired his title of Fire Investigator, Dane Kirby is new to the GBI. To say he carries around demons would be a massive understatement. So raw they haunt his every waking moment.

Now he's facing a new nightmare. One that may change the very course of his existence.

Arnie, a low life petty criminal is brutally killed in Florida. And in short order his younger brother

William goes missing. The FBI dials up Dane for help as all the evidence points directly back to Georgia. Hard Cash Valley to be exact. Dane's backyard! Can he root out the killer before more bodies start turning up? And oh yes, locate William before the killer does!

Brian Panowich writes a dark, gritty crime-drama that taps into every emotion possible. From profound love to revulsion and everything in between. The brutality is vivid. The love is heartbreaking. The grief is real and raw.

This read was absolutely unputdownable! Having found myself in a bit of a reading slump lately, this book completely turned everything around for me! So much so, I have to say this is my favorite book so far for 2020. If you're a fan of southern literature this is a must read for you! Highly recommend!

A buddy read with Susanne that we both devoured in just a couple readings!

Thank you to Joseph Brosnan at Minotaur Books for an Advanced copy to read and review.

Another winner by Brian Panowich!

The writing is amazing!

We are taken back to McFalls County and Bull Mountain where we met Dane Kirby, a lifelong resident and former ex-arson investigator with a tragic family history, is called in to consult on a murder investigation.

Unforgettable characters..gritty, tension filled, fast moving..a lot of heart in the story too!

Just loved this one!

Thank you to Netgalley and St Martin's Press for the ARC!
