A book that quotes the Scriptures, C.S. Lewis, and Dr. Seuss? An author who makes you laugh and cry, think and sigh? That's my kind of book! On the Bright Side by Melanie Shankle offers anecdotes and thoughts on a variety of relatable topics ranging from friendship, faith, and family to beauty, aging, and being brave. She is faithful, forthcoming, and funny! While many people have lost the art of looking on the bright side, Melanie helps us do just that. Even though I am retired and an

A book that quotes the Scriptures, C.S. Lewis, and Dr. Seuss? An author who makes you laugh and cry, think and sigh? That's my kind of book! On the Bright Side by Melanie Shankle offers anecdotes and thoughts on a variety of relatable topics ranging from friendship, faith, and family to beauty, aging, and being brave. She is faithful, forthcoming, and funny! While many people have lost the art of looking on the bright side, Melanie helps us do just that. Even though I am retired and an empty-nester, my soccer mom days a distant memory, her words still resonated with me. For example, she shares her feelings about her teenage daughter growing up and muses: "The worst thing kids do is grow up, turn into lovely people you genuinely adore, and then move out of your house." Oh, how I could relate! At the end of each chapter, she offers an "on the bright side" reflection, because "We will love better, live richer, and laugh more when we live on the bright side." This book is a delightful read that feels more like a conversation with a kind friend, one who knows that life has both ups and downs, but "the bright side is that you have a God who is always working for your good, even in the hardest of times." I highly recommend this book!

## Kristin

I read this coming-soon book in two days, two rainy days to be exact. Honestly, I'm over this wet winter we've had. The dreary, short days leave me longing for the next season. I find myself doing that with life sometimes too.

But Melanie Shankle's new book is a breath of fresh, bright air. She's real and funny while writing about the ordinary and important stuff that make up our lives. This book reminded me of the bright side of parenting, friendship, pain, marriage, faith, fear, and bravery.

I read this coming-soon book in two days, two rainy days to be exact. Honestly, I'm over this wet winter we've had. The dreary, short days leave me longing for the next season. I find myself doing that with life sometimes too.

But Melanie Shankle's new book is a breath of fresh, bright air. She's real and funny while writing about the ordinary and important stuff that make up our lives. This book reminded me of the bright side of parenting, friendship, pain, marriage, faith, fear, and bravery.

Our whole lives are journeys with beginnings, middles, and ends. We worry about whatever the next stage of life is that feels too uncertain, because it's in those middle places that we often experience the heartbreak and hard times of life. But if we are willing to stop and look, it's in those same middle places that we will see God for who he really is, because we finally have to admit that we didn't know as much as we thought we did.

The sunshine came out the other day and gave me a renewed perspective of God's faithfulness. That's exactly what this book did for my soul. I was left encouraged and ready to finish this season well before another one begins.

Fun. Hilarious. True.

## Geales

Hilarious and heartwarming short storiespart of the five stars might be because Melanie reads the audiobook herself and is hilarious.

Melanie Shankle is one of my favorite writers- funny, encouraging and relatable. And out of the five books Ive read of hers, this one may be my favorite. Whatever she writes, I will be there to read it because she doesnt disappoint.
