What people Say:

MR ANDREW D LEVEY

Probably the best memoir Ive ever read. Made me laugh and cry and everything in between. Beautifully written and unapologetically honest. Well worth a read.

Probably the best memoir Iâ€™ve ever read. Made me laugh and cry and everything in between. Beautifully written and unapologetically honest. Well worth a read.

Richard Beaven

Laughed, cried, shock and awe! What a superb biography. Commend this to anyone and everyone.

Steve Markham

Michael Cashman has long been one of my heroes so I awaited his memoirs with much anticipation. And this book delivers. From humble beginnings; a little boy who simply wanted to entertain found himself in the West End before fame as the trail blazing Colin in EastEnders. He goes on to secure his place in the political world as first an MEP before being called up to the House of Lords. An LGBT champion he has rightfully earned the respect of millions. It is obvious he is rightly proud of his

Michael Cashman has long been one of my heroes so I awaited his memoirs with much anticipation. And this book delivers. From humble beginnings; a little boy who simply wanted to entertain found himself in the West End before fame as the trail blazing Colin in EastEnders. He goes on to secure his place in the political world as first an MEP before being called up to the House of Lords. An LGBT champion he has rightfully earned the respect of millions. It is obvious he is rightly proud of his achievements and, after reading this honest, open and often moving story I can only conclude he has every right to be.

Julian Tooke

Brave, honest & very moving. My only minor criticism of the book is that sometimes I found the writing lazy; it needlessly dropped into cliché or clumsy grammar when with a bit more editing, or some rewriting, it could have read so much better.

Julian Corlett

This memoir is everything I expected it to be and more. Taking me through the whole gamut of emotions, I was spellbound from the opening sentence to the last. I truly cannot commend this compelling book highly enough.
